**National Board for Certification in Occupational Therapy (NBCOT) Exam Results**

Graduates of the Wallace State OTA program are eligible to sit for the National Certification Examination for the Occupational Therapy Assistant, administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the graduate will be a Certified Occupational Therapy Assistant (COTA). In addition, most states require licensure to practice; however, state licenses are usually based on the results of the NBCOT Certification Exam. A felony conviction may affect a graduate's ability to sit for the NBCOT examination or attain state licensure.
