(Please check all that apply).

parents/guardians high school representative's companies with which I receive internships/apprenticeships

This is in compliance with the Family Educational Rights and Privacy Act of 1974, as provided by Public Law 93-380.

I understand that all dual enrollment grades earned will appear on my permanent college transcript. _____
(initial)

Cost of Program:

Tuition and fees for select programs will be paid using WFD funds (Career Technical/Health Dual Enrollment Scholarship). The scholarship pays for **two** classes each semester up to a maximum of 6 college credit hours as long as funds are available. Books, materials, and supplies are the responsibility of the student. Students who choose to enroll in programs which are not included on this list will be responsible for all tuition, fees, books, materials, and supplies. Wallace State has been selected to participate in an experimental pilot program regarding Federal Pell Grants. The experimental pilot program is limited to Alabama public high school students in the WSCC service area. Qualified students will be able to use Pell funds beginning fall semester. WSCC graduation fee \$30. _____ (initial)

Continuous Eligibility:

Students who meet the criteria for initial admission to a Dual Enrollment for Dual Credit program as specified in the ACCS procedure for Dual Enrollment for Dual Credit for High School Students, Section 2, will remain in continuous eligibility as long as a grade of "C" or better in all attempted college courses is earned. Students who fail to meet this minimum grade requirement or who withdraw from a course will be suspended from the program for a minimum of one term. The one term suspension may not be served during the summer term. The student may not re-enroll until the suspension has been served. For re-entry, the student must reapply and meet the minimum (unweighted) grade point average. Students re-entering will be responsible for repeated courses and all cost for tuition, fees, books, material, and supplies. _____

^Students interested in EMS or Pharmacy Technology must turn 18 within their first semester of admission in order to be eligible for the program.

Eligible programs are determined by the State Board of Education and the local workforce development agency and are subject to change. If changes are made, updated program lists will be supplied to the local high school.

Career Technical/Health Dual Enrollment Student Recommendation Form

School Recommendation

To be completed by high school personnel only.

Student Name: _____ High School: _____

This survey contains a number of statements or questions about the applicant. Please submit this to a teacher for his or her evaluation. Your answers will be kept confidential.

Please rate the following from 1 (poor) to 5 (excellent)	1	2	3	4	5
1. Applicant exhibits good study skills.					
2. Applicant behaves well in class (consider number of disciplinary referrals).					
3. Applicant has a satisfactory attendance record.					
4. Applicant exhibits mature behavior to integrate onto a college campus.					
5. This applicant would benefit from participation in the CTDE Scholarship Program.					

If there is space available at the local career center and/or the student has not completed all courses that are available for articulated credit, the student should attend classes at the career center before enrolling at WSCC.

Has the student completed all classes that can be taken at the career center? Yes No

CAREER TECHNICAL/HEALTH DUAL ENROLLMENT

PO Box 2000/ 801 Main Street NW
Hanceville, AL 35077-2000

For more information: <http://www.wallacestate.edu/programs/dual-enrollment>

General Information:

Wallace State Community College offers high school juniors and seniors an opportunity to dual enroll career technical coursework on the campus of Wallace State. The Career Tech Dual Enrollment Scholarship is offered for select programs in the Technical and Health Division. This scholarship is available during fall, spring, and summer semesters and will pay full tuition and fees for up to 6 credit hours of college coursework. Many schools will allow students to check in/out of school to come to Wallace to take classes through this scholarship program. Students should speak to their high school counselors for more information.

Admission Requirements:

Student must complete a Career Technical/Health Dual Enrollment application and submit it along with all required documents to his/her high school counselor. The school administration will then recommend the student for the program if the student has met all necessary criteria. The counselor will complete the remainder of the application and submit the application along with an official high school transcript and high school recommendation. Please note that students interested in any listed health programs must also submit a completed health program application to be considered. Scholarship acceptance will be contingent upon student's acceptance into the health program.

Deadlines:

Application Deadline— April 9, 2018 (Student to complete pages 1 – 3 of the application packet and submit along with all required documents to the high school counselor.)

Mandatory Orientation Session: Students must attend a mandatory orientation session – **TBD**

Application Packets due to WSCC— April 13, 2018 (High school counselors will submit completed application packets to WSCC.)

Applications received after the deadline will only be considered if space is available.

Incomplete applications will not be considered.

General entry qualifications will include the following:

- GPA of 2.5 or higher
- Accuplacer Placement Exam or Comparable ACT scores – 18 in English, 20 in math and reading
- High school junior or senior

Required Documents:

- | Student | Counselor |
|---|---|
| <ul style="list-style-type: none">• Residency Form• Proof of ID• Placement Test or comparable ACT• EFC• Essay | <ul style="list-style-type: none">• Student's Current Official HS Transcript• Recommendation |

Cost of program:

Tuition for select programs will be paid using WFD funds (Career Technical/Health Dual Enrollment Scholarship).
