PHLEBOTOMY TECHNICIAN

8-week program
This course is designed to train individuals to collect quality blood samples properly from patients and interact with health care personnel. Clinical externships will be coordinated after class completion.
Fee: \$1,587.50 plus \$11.50 insurance fee (includes textbook and exam fee).
Location: James C. Bailey Building 511
Class Schedule
Tuesdays and Thursdays, 5:30 - 8:30 p.m.
Call 256.352.7826 for available class dates

CERTIFIED NURSING ASSISTANT

10-week program
Certified nursing assistants (CNA) work at the direction of nurses to provide basic patient care and play a critical role in successful health care by extending the capability of nurses and doctors to provide better patient care. CNA classes will train individuals to assess patient needs, to interact effectively with the patient, and to make observations regarding a patient's condition and state of mind. The 26-hour clinical rotation will be on the three Saturdays at the end of the program.
Fee: \$790 plus \$15 insurance fee (includes textbook and exam fee).
WIA approved
Location: Nursing Building,
Class Schedule
Mondays and Wednesday, 5:30 - 8:30 p.m.
Call 256.352.7826 for available class dates

ONLINE HEALTH PROGRAMS

New online E-Learning Healthcare Courses!
Wallace State CC - Hanceville announces the availability of our online e-learning healthcare courses from Health Ed Today. These exciting courses include:

- Electronic Health Record Program
- Dialysis Technician Program

Note: all programs include textbooks, workbooks and student materials. Certain programs include clinical externships and national certifications. These courses are highly interactive and provide students with an enriched learning experience. Each course includes: 24 hour a day instructor support & course mentors; engaging labs, student exercises and course videos; all textbooks, workbooks and student materials; a new "Secure Student Website" – including career resources & other training.

To view a course demo go to www.healthtoday.com/wallacestate.
