## WorkKeys Preparation and Certification

All Wallace State Adult Education Students have the opportunity to take the Workkeys Certification exam at NO COST.

The Workkeys Certification is a national workforce development system that permits a direct comparison of the skills and levels of skills needed to perform a job with the skills and levels of skills an individual currently possesses. Classification exams are used by employers to validate career readiness skills.

The Workkeys Certification exam evaluates three areas of work skills : Applied mathematics, Reading for Information, Locating Information

## Alternate Adult High School Diploma Program

**Wallace State Adult Education Program works with high school to promote the alternative adult high school diploma program (AAHSD).**

**Student enrolled in high school who qualify through their high school counselor for the program will be assisted with instruction and testing to reach personal academic and graduation goals.**
