

2008 - 2009 Outcomes Assessment

MUSIC

Purpose Statement: To offer courses appropriate for college transfer, vocational training or personal enrichment.

Goals	Intended Outcomes	Assessment Criteria/Procedures	Assessment Results	Use of Results
<p>To promote the learning and demonstration of written and performance musicianship skills through the study of commercial music and music education.</p>	<p>Students who take courses offered in music will demonstrate a basic understanding of performance principles.</p>	<p>100% of full-time degree-seeking music students will participate in a minimum of one musical production during the academic year (2007 -08 and annually thereafter).</p>	<p>100% of all music majors performed in one of the following groups: Concert Choir, Concert Band, Singers, Jazz Band, or Pep Band.</p>	<p>We will move to assessing our end of the semester Juries next year and the use of a Rubric for this.</p>
<p>To introduce a variety of music literature through historical study, listening, and performance.</p>	<p>Students who take courses in music will learn about a wide range of musical genres and motifs and will be introduced to the basic knowledge needed to enhance and facilitate a lifelong enjoyment and appreciation.</p>	<p>The Music Advisory Committee will review the range and depth of the academic and performance offerings and will find them satisfactory.</p> <p>80% of students completing the College's music appreciation course will report satisfaction with the range, depth, and value of the material taught.</p>	<p>This committee was reconstituted and did not meet.</p> <p>An average of 90.75% of students filling out the faculty evaluation forms felt they had increased their knowledge and appreciation for music.</p>	<p>The committee will meet twice a year. Once in the Spring semester and once in the Fall semester.</p> <p>Next semester we will move to embedded questions in each of our live Music Appreciation classes.</p>
