Complete an associate degree, college certificate, or up to 60 hours of transfer credit before high school graduation!

Fine and Performing Arts Academy [AT WSCC]
Offers students in 11th and 12th grades the opportunity to take courses in art, dance, music, theatre and visual communications, along with their academic courses. They can stay at their local high school, coming in late or leaving early to accommodate their Wallace State Fine Arts courses or attend through the Fast Track Academy. Requires a 3.0 GPA or higher.

Fast Track for Industry [AT WSCC]
The Fast Track for Industry partnership between Wallace State and Cullman County Schools expands the college’s Fast Track and dual enrollment opportunities to focus on high school career technical students. All high school and college classes are taken on the Wallace State campus. The Fast track for Industry facility is staffed from 7 a.m. to 7 p.m. for students to complete high school coursework on a flexible schedule. Students who are enrolled in Fast Track may still participate in their home school’s extracurricular activities, including athletics, band, and student organizations as long as scheduling permits. Open to high school juniors and seniors with a 2.5 GPA or higher.

REHAU Academy
The first of its kind in the United States for this multi-billion dollar international corporation, allows students to participate in a paid German model apprenticeship program leading to employment as a polymer specialist while earning a high school diploma and a college certificate in injection molding. Students will apply for apprenticeships during their junior year of high school and begin the apprenticeship during their senior year. Each apprenticeship lasts two years – the senior year of high school and freshman year of college.

FOR MORE INFORMATION ON DUAL ENROLLMENT, PLEASE CONTACT: dual.enrollment@wallacestate.edu

Simultaneous Credit:
Earn credit for both high school graduation and your college degree with the same amount of coursework!

Educational Advantage:
Get a jump start on your college career while easing the transition from high school to college.

**TO BE ELIGIBLE:**

- Have written approval of principal and superintendent
- Meet the WSCC entrance requirements
- Complete placement exams.

**“English courses may not be taken for honors credit.”**

**CHOOSE FROM THESE PROGRAMS:**

**Dual Enrollment [AT YOUR HIGH SCHOOL]**

Traditional dual enrollment classes are offered at a student’s high school for joint high school and college credit. Dual enrollment allows students to experience college level courses and shorten the time required to complete an associate or baccalaureate degree. Students interested in enrolling are encouraged to inquire with their guidance counselor about whether this program is available at their high school. Open to students in grades 10 through 12 with a 2.5 GPA or higher.

Wallace State is the first-choice community college for Alabama high school seniors taking the ACT!

**CareerTechnical & Health Dual Enrollment [AT WSCC]**

Dual Enrollment courses in many of Wallace State’s career technical fields are offered on WSCC’s campus. Students with a 2.5 GPA and permission of the local school system may come to campus during the regular school day to take courses in a career field of their choice. Wallace State makes every effort to offer these courses during times that can be easily worked into high school schedules. Additionally, several of Wallace State’s health programs are now offered in a mostly online format and are available as dual enrollment options for high school students. Wallace State offers a Career Technical Dual Enrollment Scholarship through the Office of Workforce Development for students interested in taking dual enrollment courses in select high wage/high demand career fields. Open to high school juniors and seniors with a 2.5 GPA or higher.

**Accelerated High School Student Program**

Students with a 3.0 GPA and the permission of their principal may take classes for college credit only. These classes would be taken outside of regular school hours and may be taken at WSCC's main campus, off-campus instructional sites, or online. Students may not take English courses through the accelerated program.

**Fast Track Academy [AT WSCC]**

Fast Track is a joint partnership between Wallace State and local school systems. The Academy offers high school juniors and seniors an opportunity to simultaneously enroll in high school and college coursework on the campus of Wallace State. The courses meet state requirements for high school graduation while also providing the general education requirements for college certificate and associate degree programs. Students will be enrolled full-time at the high school on Wallace State’s campus. Students who are enrolled in Fast Track may still participate in their home school’s extracurricular activities, including athletics, band, and student organizations as long as scheduling permits. Open to high school juniors and seniors with a 3.0 GPA or higher.
