Cash

Policies for WaLLi Registration: In order for scheduled classes to be held, there must be a minimum number of ten people registered for the workshop or activity. Activities requiring transportation require a minimum of 30 participants. Registration will remain open until one week prior to the date of the event and, if there are fewer than the required registrants, it will be cancelled. Anyone registered will be notified prior to the event.

For trips, you will not be on the official registration list until you complete and submit the required paperwork and fee (if applicable) for the event. We will not hold seats for anyone without required forms or payment.

Classes and trips will be filled on a first come- first served basis and, once filled, everyone else will be waitlisted. If we reach the required number of participants to make another section and are able to secure the instructor again, we will add another section and notify you of the new date and time of the workshop/event. Trips will require another 30 people for another bus to be scheduled and will occur on the same day/time.

Any activities requiring an additional fee must be paid prior to formal registration for the event. If the activity is cancelled by the college then participants will be issued a refund. Should a participant need to cancel after the refund date then they may find someone to fill their slot; however, the participant is responsible for any registration fee monetary exchange between them and the substitute.

I acknowledge that I have read and understand the program policies
