Students are responsible for cost of travel, meals, and housing during full-time clinical fieldwork rotations during fall (2 week rotation), spring, and summer semesters (8 weeks each). Keep in mind that up to a 2 hour drive time one way is considered a reasonable drive time to and from fieldwork rotations, and rotations will not be changed for students due to the amount of drive time required. **See Clinical Fieldwork Travel Agreement Policy** for additional information regarding travel to and from fieldwork sites.
