# **Message from the President**

Welcome to the Lion Life at Wallace State Community College!

As we begin the Spring 2026 semester, there's a renewed sense of energy and

excitement across campus. For many students, this term marks the final stretch toward graduation or transfer to a four-year university. Whether you're preparing to walk across the stage or take the next step in your academic journey, we celebrate your achievements and look forward to your continued success.

At the same time, we welcome new students who are just beginning their college experience. Starting college is a major milestone, and Wallace State is committed to helping you feel at home and supported every step of the way. Whether you're entering college for the first time, retraining for a new career, a dual enrollment student, or completing a GED and embarking on a career pathway, you'll find your place here.

Wallace State continues to offer a full complement of classes and services on campus in Hanceville and Oneonta, as well as online. Day and evening classes, hybrid formats, and flexible scheduling options—including Mini Terms—make it easier than ever to fit college into your life.

The college recently opened the Winston County Community Learning Center, offering Adult Education and Workforce Development classes and access to technology for students with a fully-equipped computer lab.

This spring, we're excited to offer classes for our new Speech and Language Pathology Assistant program, adding to a growing list of innovative offerings. Recent additions include programs in Radiation Therapy, Artificial Intelligence Programming, Cloud Computing, Systems Engineering Technology, and expanded options in Advanced Automotive Services, Diesel Technology, Electrical Technology, Digital Fabrication, Culinary Arts and Nutrition Management. Our Health Information Technology program now includes Revenue Cycle Management and Database Management, and our Nursing program continues to grow with evening classes and a joint enrollment partnership with Athens State University.

Wallace State students benefit from earn-and-learn opportunities, including apprenticeships in Child Development and Nursing, the FAME program for industrial maintenance, and numerous internships with area businesses. These experiences allow students to gain valuable skills and income while completing their credentials. Visit our Center for Career and Workforce Development to learn more.

Construction is underway on the new STEM Gateway building, which will house first-year courses, a digital resource center, and the Culinary Arts program. New facilities for Machine Tool Technology and Advanced Automotive are also in development, reflecting our commitment to providing cutting-edge learning environments.

Look for Wallace State Community College on an upcoming episode of the Amazon Prime show The College Tour, where several WSCC students are featured, sharing their experience and spotlighting why Wallace State is one of the Top 3 community colleges in the nation, according to the Aspen Institute.

Along with being named a Rising Star by the Aspen Institute, Wallace State has also been recognized as a Caring Campus and an Achieving the Dream Leader College. We are proud to be the preferred community college for Alabama high school seniors taking the ACT and a leader in health care and workforce development. We've also been recognized as a Military Friendly institution, with dedicated resources for veterans and their families.

Support services are available to help you succeed, including success advising, mental health counseling, tutoring, technology loans, emergency financial assistance, and a free food pantry. Many offices also offer virtual services to meet students where they are.

Start planning now for your future. Review the Spring 2026 course offerings and connect with a success advisor to develop your Pathways map and Alabama Transfer Guide for your program. Visit the Wallace State website, download our app, or stop by Lion Central to learn more.

We look forward to seeing you on campus this spring—and celebrating all that you will accomplish.

Vicki P. Karolewics President

The last date to withdraw from a course for the term is published in the current course schedule. Students can withdraw from a course via their MyWallaceState

**Financial Aid** 256.352.8182

### Students receiving financial aid should read the following information carefully:

Census/Freeze Date - Dropping a course prior to January 14, 2026, will result in a recalculation of a student's federal financial aid which includes Pell Grants, Direct Loans, and SEOG Funds. This recalculation could affect the amount of the financial aid award and may result in a balance owed to the college. Students that register for courses in subsequent terms AFTER January 14, 2026, may not be eligible to receive additional financial aid coverage for the added classes. Students should register for all classes in future terms at the beginning of the term if possible to ensure maximum federal aid. This includes Pell Grant and Direct Loans. Please check with the Financial Aid Office before adding these courses for individual questions about this process.

**60% Date of Term** - Dropping ALL classes prior to March 18, 2026, will result in a recalculation of federal financial aid which includes Pell Grants, Direct Loans, and SEOG Funds. This recalculation will be based on the number of days the student attended the class prior to dropping all classes. These days determine the percentage of aid the student earned for the term. A student will likely owe a portion of financial aid back to Wallace State and/or the US Department of Education if all classes are dropped prior to March 18, 2026, or if the student guits attending classes prior to March 18, 2026.

**APPLY EARLY** – Students applying for financial aid should apply at least two (2) months before the next semester begins. Applying early will help ensure a timely response to federal guidelines and will allow for any unforeseen problems/situations that might occur. Applying early will also help the student avoid potential long lines or waits.

### **BOOKSTORE CHARGES**

If Pell Awards exceed the amount of tuition and fees owed, students may charge books and supplies on their Pell accounts at the WSCC Bookstore. These accounts will be open for charges Friday, December 26, 2025.

**ONLINE/DISTANCE EDUCATION** students are responsible for logging in and meeting attendance verification requirements for all Canvas, Internet, and video classes. Pell funds will not be distributed until attendance is verified.

### **BALANCE CHECKS**

Per federal guidelines, attendance must be verified before balance checks can be mailed. Students who have not been electronically verified as attending their classes by their instructors will not be able to see their Financial Aid funds on their myWallaceState account for that class that has not been confirmed as attending. As more classes are verified, more funds will be added to the student account balance that can be seen on myWallaceState student account.

PLEASE NOTE: Students in DISTANCE EDUCATION courses are responsible for logging in and meeting attendance verification requirements for all online classes. Pell and loan funds will not be mailed until attendance is verified. Pell Grant and loan balance checks, with no holds, will begin mailing Tuesdasy, January 20, 2026. If you are registered in classes that begin later than Tuesday, January 20, 2026, your balance check will be mailed at a later date after attendance is verified. You must attend classes prior to any funds being mailed for a particular class. Withdrawal from all classes after receiving balance checks will result in Pell overpayment and future Pell payments for WSCC or any other college will cease until the overpayment is repaid.

### **SET UP DIRECT DEPOSIT:**

Students can receive their refunds by direct deposit. Please follow these steps:

- Log on to your myWallaceState account. Select Discover More.
- Select Account Transaction Card.
- Select the option you need.

### ATTENDANCE VERIFICATION (AV)

Removal for classes with no AV can affect eligibility for Financial Aid and the award amount. Students utilizing federal financial aid who do not show attendance for one or more classes may have registration removed from the classes lacking attendance verification. Students will need instructor permission to re-enroll in classes that were removed for no attendance verification. Students cannot be paid on classes until we can document they started the class.

**INSTITUTIONAL SCHOLARSHIP** recipients must complete a 2025-2026 FAFSA prior to enrollment being completed. Scholarships cannot be added to the student account until the FAFSA is received.

### **REMEMBER**

Students must re-file for Pell Grants for every academic year (Fall - Summer). The Free Application for Federal Student Aid (FAFSA) is available online at https://studentaid.gov/h/apply-for-aid/fafsa. Students applying for 2025-2026 (Fall 2025, Spring 2026, Summer 2026) Pell Grants must complete the forms with 2023 tax data. It is the student's responsibility to provide any additional information requested by the Financial Aid Office. The Grant cannot be awarded until the student's file is complete.

\*\*Priority Deadline for Spring 2026 Financial Aid is November 1, 2025.

Complete Financial Aid and Admission paperwork must be submitted by the deadline of November 1, 2025, in order for funds to be available for Spring 2026. Visit http://www.wallacestate.edu/ finaid. Students should review their myWallaceState account for individual requirements.
